

Revised 1/28/10

City of Renton Community Services Division- Recreation Department

2009-10 Usage and Closure Dates

This form is updated and posted on the website daily:

It is the coach's responsibility to check the website for closure information!

The Renton School District is kind enough to let us use their gymnasiums for the upcoming season. We would expect all of our volunteers and participants to respect their facilities. Please remember to review with all your parents and participants, the rules and regulations outlined below

The coach is responsible for the safety of all kids and adults while using the gym. Only kids and adults associated with your practice are to be in the gym during your practice. Check the bathrooms, entry way and gym thoroughly upon arrival. If you find anything out of the ordinary, contact the custodian immediately so that proper action can be taken.

When you leave the area, check gym, bathroom and entry closely for damage or anyone who might be left inside. Leave the gym exactly the way you found it. If you are the last one to leave the building, find the custodian to let them know you are leaving. Remember, we are guests, so please respect their property.

***Absolutely NO FOOD or DRINK in any of the gymnasiums.
Please use school drinking fountains whenever possible.***

Additional Information for Coaches:

**** If you are not going to use your assigned practice time, you must contact the school and cancel your practice by **3:30pm**. If you fail to notify the school of your cancellation, it may result in the loss of gym time. We want to make sure the buildings are secure.***

**** If the Renton School District closes their facilities due to weather or other unexpected emergencies, all evening activities will be cancelled.***
